*How good and
pleasant it is when
brothers dwell
together in unity.*

Psalm 133:1

Pleasant Hills Christian Church is affiliated with Church of God (Seventh Day) General Conference and is a Sabbath-keeping Christian Church.

Our celebration of the biblical festivals does not reflect the historic view of the church. We appreciate the freedom extended to us by our parent organization to retain fellowship while we continue to embrace different views. We do not teach observance of the annual feast days as a test of fellowship or requirement of salvation.
